## Profile

I'm a fourth year architecture and urbanism student from the Federal University of Rio Grande do Sul (Brazil). I have experience in 3D modeling, digital renderings and BIM softwares from already having worked in two architecture firms as well as from my student work. I'm always looking for opportunities to improve my creativity and knowledge, that's why I'm currently doing an university exchange in France, traveling and meeting different cultures.

## Hobbies

### Music

I have been singing and playing the guitar since my early childhood, which gave me the skills to play in restaurants, cafes and even to busk on the streets!

### Sports

I play tennis since the age of 13 and it is my main sport. I consider myself sportive and I'm always up for any kind of physical activity be that hiking, biking or team sports.

### Culture

I love books and the world of cinema.
